17. MARGIN

17.1 **Initial Margin Arrangements.** As a condition of entering into a Transaction, we will require the deposit of funds or lodgement of Collateral acceptable to us to secure your liability to us for any losses which may be incurred in respect of the Transaction (“Initial Margin”). Initial Margin is due and payable prior to opening a Transaction and we will decline to open any Transaction if you do not have sufficient available cash (cleared funds) in your Account to satisfy the Initial Margin required for that Transaction at the time the Order is placed.

17.2 **Variation Margin Arrangements.** If there is an adverse movement in the value of a Transaction we will require additional security from you in the form of cash deposits or other acceptable Collateral to cover the adverse movement and to supplement the Initial Margin (“Variation Margin”).

However, in the case of deposits made by credit card, FOREX.com is able to immediately identify the payment and credit the amount to your account.

17.6 **Close-out.** In the event that there is insufficient funds (or Collateral) in your Account to satisfy your Margin obligations, as determined by us in accordance with clauses 17.1 and 17.2 of this Customer Agreement, and regardless of whether or not prior Margin Calls have been issued or not, we may in our sole discretion at any time choose to close or terminate one or more of your open Transactions without notice to you. This will not constitute an Event of Default. However, without prejudice to the foregoing, any Transaction entered into by you or on your

behalf which results in there being insufficient funds to cover any actual or anticipated losses or liabilities in connection with your Account will constitute an Event of Default and we may in our discretion exercise our rights in clause 22 of this Customer Agreement, whether there has been a Margin Call or not.

- 17.7 **Margin Calls.** FOREX.com does not make Margin Calls in the ordinary course of business. We are also not obliged to make any Margin Call of you at all or within any specific time period, and any failure or delay on our part to make any Margin Call at any time will not operate as a waiver of any of our rights or remedies under or in connection with this Customer Agreement, whether in respect of such Margin Call or otherwise. We shall be deemed to have made a Margin Call on you if we have left a message requesting you to contact us, or if we are unable to leave a message and have used reasonable endeavors to contact you by telephone. Any message we leave for you requesting you to contact us should be regarded as extremely urgent. We shall not be liable for any losses you may suffer as a result of any failure to respond to an actual or deemed Margin Call. We may in our sole discretion close or terminate one or more of your open Transactions without notice to you immediately and decline to enter into any further Transactions with you if you fail to honour any Margin Call and this shall constitute an Event of Default and we may exercise our rights in clause 23 of this Customer Agreement.
- 17.8 **Negative pledge.** You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the funds transferred to us.
- 17.9 **Power to charge.** You agree that we may, free of any adverse interest of yours or any other person, grant a security interest over funds provided by you to cover any of our obligations to our hedging counterparty, including obligations owed by virtue of the positions held by us or another of our customers.
- 17.10 **Power of sale.** If an Event of Default occurs, we may exercise the power to close one or more of your open Transactions. We shall be entitled to apply the proceeds of the disposal in satisfaction of your obligations.
- 17.11 **General lien.** In addition and without prejudice to any rights to which we may be entitled under this Customer Agreement or any Applicable Laws, we shall have a general lien on all property held by us or our Associates Entities or our nominees on your behalf until the satisfaction of the your obligations.
- 17.12 Any action taken by us in connection with or pursuant to a CFD or Margin FX Contract or other Transaction by us at a time when any Event of Default specified in clause 22 of this Customer Agreement has occurred (whether or not we have knowledge thereof) shall be entirely without prejudice to our right to refuse any further performance thereafter, and shall not in any circumstances be considered as a waiver of that right or as a waiver of any other rights of ours should any such Event of Default have occurred.

18. **ORDERS AND CONFIRMATIONS**

No message may be left, and no Orders may be placed using answer phone or voicemail facilities or by facsimile or by email. All telephone calls are recorded for the purposes of fraud prevention and quality control and by agreeing to these terms and conditions you agree to such recordings.
- 18.3 FOREX.com makes no warranty, express or implied, that the bid and offer prices quoted on FOREX.com Trading Platform represents the prevailing underlying market prices. Our quoted prices may reflect, at our discretion or the discretion of our Associated Entities, underlying market volatility or additional costs and charges which may result in an increase in the spread.

- 18.4 If your Account is set up as a joint Account, FOREX.com is authorised to act on the instructions of any one owner, without further inquiry, with regard to trading in the Account and the disposition of any and all assets in the Account.
- 18.5 FOREX.com may, at its discretion refuse to accept any Order from you but will notify you of any such refusal, without being obliged to give any reasons, promptly following receipt of your instructions. FOREX.com may cancel any instructions previously given by you provided that FOREX.com has not acted on your instructions. Without prejudice to the generality of the foregoing FOREX.com reserves the right to limit the number of open Transactions that a Customer may enter or maintain in their Account. FOREX.com reserves the right, in its sole discretion, to refuse to accept any Order opening a new Transaction or increasing an open Transaction. Acceptance of your Order will be evidenced by FOREX.com confirmation of that Order. The validity of any Order shall not, however, be affected by any failure or delay in such Order being confirmed. Acceptance of any Order does not constitute any acknowledgment agreement or representation that your Initial Margin requirement in respect of the Order or your existing Order is satisfied.
- 18.6 **Regulated Market.** You acknowledge and agree that by executing or completing and submitting the Customer Account Application that you have given us your prior express consent to execute all Orders outside a regulated market.
- 18.7 **Confirmation of Orders and Account Statements.** We may send you confirmations and account statements electronically or provide you with online access to confirmations and account statements stored on your FOREX.com website Account. - 18.8 **No Best Execution Obligation.** We will deal with you as principal in relation to any Orders and we will not act as your agent or otherwise act on your behalf in relation to any Orders. Rather, we provide you with price quotes and you may place Orders on the basis of those price quotes. Accordingly, while we seek to ensure that our quotes are price competitive we do not owe you any obligation of best execution and do not agree to obtain the best possible price for you.

19. CLOSE-OUT OF OPPOSING TRANSACTIONS

- 19.1 In general, to close any Transaction in whole or in part you must enter into a second Transaction in relation to the same product and maturity date as the first Transaction but you must sell if the first Transaction was a purchase and you must purchase if the first Transaction was a sale. The first Transaction will be closed to the extent of the Transaction size of the second Transaction. Where there is more than one open Transaction with the same characteristics the Transaction opened earliest will be closed first. Additionally, should the Trading Platform allow for “hedging” (an Account being long and short the same position) or close out by the customer on a “special instruct” basis (customer identifies Transaction(s) to be closed out), the customer will be responsible for closing open Transaction(s) on a special instruct basis. Our policies and procedures surrounding close out of opposing Transactions are subject to change in our absolute discretion and will be notified to you if such change is made.

- 20.5 Notwithstanding clause 20.4(d), no default by any client is likely to occur on the basis that FOREX.com has implemented systems and procedures whereby the potential loss for any one client is limited to the net amount deposited into their account with us.

You should note that if such transfer occurs, your money and/or property will be transferred to a segregated account maintained by the transferee under the Corporations Act 2001 (Cth) (if the transferee is an Australian financial services licensee). If the transferee were not an Australian financial services licensee, but regulated in another jurisdiction, client monies will be held by the transferee in accordance with the applicable client money rules of that jurisdiction.

- 24.2 In respect of any Manifest Error, we may (but will not be obliged to):

- 25.5 **Prohibition on arbitrage.** Internet, connectivity delays, and price feed errors sometimes create a situation where the price displayed on the Trading Platform do not accurately reflect prices/rates. The concept of arbitrage, or taking advantage of these internet delays, cannot exist in an over-the-counter Financial Product where the client is buying or selling directly from the market maker. FOREX.com does not permit the practice of arbitrage on the Trading Platform. You acknowledge and agree to this and we rely on your acceptance of this. Transactions that, in our opinion, rely on price latency arbitrage opportunities may be revoked by us without liability to you. 25.16 **Claims from your customers.** To the extent that you place any Order or enter into any Transaction for the account of any customer of yours, you will indemnify, protect and hold us, any Associated Entity and all other Protected Persons harmless from and against any and all Losses resulting from or arising out of any claims made by any customer of yours against us or any other Protected Person.
